Valley AI Automation & Marketing

Maricopa booked-job leak checklist

1. After-hours answer gap
2. Slow first reply on form fills
3. Brochure site that never asks to book
4. Ads without a calendar handoff
5. Missed-call silence on the job
6. Weak routing and human handoff
7. Unclear scope and offer on the page
8. No follow-up loop on estimates

For business owners across Maricopa County.

Complete done-for-you systems start at $5,000.

Complex custom builds are scope-quoted up to $10,000.

Ongoing management and ad spend are separate.

Final scope and terms are confirmed in writing.
